PRINCE

With over 550 people in attendance, the ASID Arizona North Chapter raised thousands of dollars for the Childhelp KEYS Community Center. In the company of many extreme Harry Potter fans who began the wait for the first midnight showing at 10 am— yes most dressed to their favorite character! We delighted in the fact that the sponsors secured for the ASID benefit ensured that 25 of the children from Childhelp KEYS Community Center were in the audience. Monies raised by ASID Arizona North Chapter and Childhlep Phoenix Local Chapter exceeded \$12,000
